The Canadian Tactical Officers Association is proud to announce its 2017 **Annual Open House** for loyal members, guests and prospective new members. ***This invitation is going out to all members of the Emergency Services Community.*** The goals of this event are to promote our strategically aligned training relationship with RETICLE in Brockville, Ontario. The Open House will provide details on this expanding training relationship, and will be Phase One of a soon to be published innovative training calendar for course delivery at this unique facility.

As part of this Open House, the following training will be offered to the first 16 who apply. There will be **NO COST FOR THIS TRAINING**;

### **1. DEFEAT AMBUSH-STYLE ATTACKS**

***PARTICIPANTS WILL QUICKLY BE INSTRUCTED AND GUIDED THROUGH DRY MOVEMENTS, LIVE FIRE MOVEMENTS, AND FORCE ON TARGET MOVEMENTS, UTILIZING A COMBINATION OF RIFLE AND PISTOL APPLICATIONS. THESE TECHNIQUES AND TACTICS ARE TRIED, PROVEN, AND MOST IMPORTANTLY SIMPLE TO EXECUTE IMMEDIATELY WITH MINIMAL TRAINING.*** Required equipment **for this training:** duty firearm (*pistol and/or patrol carbine rifle*), 50 rounds of all required ammo, and appropriate range safety equipment. This is also a great opportunity to meet and socialize with fellow CTOA members, view the new training facilities, as well as view vendor and supplier displays throughout the day.

### **2. KRAV MAGA - FIREARM THREAT DEFENSE**

**PARTICIPANTS WILL LEARN HOW TO COUNTER AND NEUTRALIZE CLOSE-QUARTERS FIREARM THREATS EMPTY-HANDED FOR PREDICAMENTS WHERE DEPLOYING THE FIREARM IS NOT CONDUCTIVE OR POSSIBLE.**

Limited space is available at this event so all who wish to attend are encouraged to register as soon as possible. We are looking forward to seeing all members of the First Responder communities as they are exposed to new tactical equipment and view our unique training relationship with RETICLE.
